VOL LI. UPLAND, CALIFORNIA, TUESDAY, DECEMBER 11, 1945. NO. 63

Colds Keep Many Students From Schools

Schools both in Upland and at Chaffey reported a sharp decrease in attendance this week as a wave of head colds and upper respiratory infections kept pupils out of classes. Some cases of influenza were also reported.

Highest absences were reported by Harold W. Cook, Upland school superintendent at the Upland Junior High school. Twenty-two per cent of the pupils there have been absent from classes, with the Elementary school reporting between 20 and 21 per cent reduction in its enrollment.

OTHER REASONS

Ernest W. Fischer, Chaffey High school principal, said that there were 18 per cent absent this week compared to the four per cent during the first month of school.

"Of course, we have no way of knowing whether all of these absences are caused by illness or not," Mr. Fischer declared. "Some of it may be due to the older boys staying at home to do some smudging on the groves."

He also added that in all probability there would be a slight increase in the 18 per cent now recorded before the week is up.

AFFECTS COLLEGE

Although no definite figures can be made available at Chaffey Junior college, it was quite evident that college students were also coming down with colds and other respiratory diseases. Absences continued to increase sharply this week as they have at all the other schools.

The Ontario Junior High school reported 15 per cent of its pupils not attending schools but it is believed that the peak has been reached there and that a decline in absentees will begin very shortly.

Although some school authorities felt that the wave of colds and influenza cases was an epidemic Dr. Truman Ackersan, Upland health officer, could not be reached for comment.

Coordinating Council Will Discuss Size of Community Building

The size of the community building will be the main topic of discussion when the Co-Ordinating Council holds its regular meeting at the Girl Scout house next Monday night, December 17.

All organizations in the community have been asked to report on the amount of space they would need both for regular and special meetings as well as dinners and other social functions.

Mrs. Frank Taylor and her committee will also be present at the meeting to discuss possible cooperative plans for Senior High school young people's activities.

The meeting will start at 7:45 p. m.

Voice of Upland

What do you think of Upland's Christmas decorations this year?

"I think they've got anything beat I've seen and I've been in a lot of towns around here."—Steve Allee, Allee's Taxi.

"I think they're very nice."—Mrs. E. Gaunt, 797 Olive street.

"It's all right—fine. Best I've ever seen."—W. C. Bailey, 348 Laurel avenue.

"I think it's swell—very good."—Joe May, 745 East Ninth street.

"I think they're pretty. I guess this is the best they've ever had, really."—Adele Jordan, 1475 West Fifthteenth street.

"Just fine—I sure like it."—E. J. Canup, 483 Hellman street, Cucamonga.

"I think they're swell, although I've never seen any others in the past. This is our first Christmas here." Mrs. Howard Jepson, 128 Parkside.

"I haven't seen them for four years but I like them very much."—L. A. Johnson, 219 North Euclid avenue.

"I think they're very lovely. For the size of the town they are comparable to the City of Los Angeles."—Mrs. E. P. Wind, San Antonio Heights.

"Not bad. Looks all right to me."—L. A. Walls, Ontario.

"I think they look swell this year. One of the best I've seen anywhere."—R. G. Manley, city manager.

Fritz, Friend of All Along 18th Street, Victim of Old Age

Thirteen year old Fritz, a Great Dane dog, i sdead.

Owned by Mrs. R. R. Brownson, 450 West Eighteenth street, Fritz belonged to the community and several generations of Eighteenth street youngsters have become well acquainted with the friendly neighborhood, slick-coated pet.

All of his life was spent in the neighborhood of Eighteenth street. Devoted to his mistress, the dog was always close at hand. He greeted the youngsters as they went to school in the mornings, tagging along with them and romping ahead or trailing behind, just so he got plenty of attention. He knew about the time for classes to dismiss and Fritz, bigger than most of the students, accompanied his friends all along Eighteenth some distance from his home.

A stroke Thursday crippled him and the veternarian could do little to save him. Fritz failed to rally and within a few hours he entered dog heaven. His remains were placed in the citrus grove, not far from the scene of where his friendly greeting will be missed.

Parkside Will House Vets

Although no official word has been received as yet, it seems quite certain that the Parkside project will soon be tarown open to the war veterans, O. S. Rowen, executive director of the Upland Housing Authority, disclosed today.

At the present time only employees of the Kaiser Steel Mill in Fontana are eligible for temporary housing at Parkside.

"We are now giving preference to veterans at the Los Olivas project and have been for some time," Mr. Rowen said. "At the present time Parkside is reserved only for Kaiser workers but we are expecting a release on it very shortly."

Mr. Rowen pointed out, however, that not very many vacancies occur at the Los Olivas project but that veterans have been given preference in all cases.

The local housing authorities also have received inquiries from the National Housing authority as to their present and future needs so that some action may be taken to relieve the shortage in the city.

Decorations Please All

Upland's Christmas decorations are a hit!

From the time when the lights first went on last Friday night people not only from Upland but from all the surrounding cities freely expressed their enthusiasm at the beautiful decorations covering the business section of the city.

Merchants, who remained open until 9 o'clock Friday night, reported a steady inflow of customers and said that many of them commented on the excellence of the Christmas decorations.

"Welcome Home, Buddies," is the theme of all the decorations and the lighted drums with those words inscribed upon it set the mood for the entire Yuletide celebration this year.

The committee responsible for not only collecting the money to make these decorations possible but selecting and securing them were:

Mrs. Amos Colborn, chairman, Mrs. Paul Hottel, Mrs. Sam Rowe and Miss Lillian Harnish.

Inter-American Council To Meet Friday Night

Plans for its participation in the fiesta to be held at the Chaffey auditorium on January 25 will be made by the Inter-American council when it meets at the Sierra Vista school at 7:30 p. m. Friday.

Although regular meetings of the group are usually held at the Los Olivos community house, this meeting is being held at the school so that a Christmas program by the children of the Sierra Vista school may be presented. Miss Olive Wilkowske is in charge of the program.

Mrs. James Martinez, president of the Inter-American council, will preside at the meeting. All those interested in the work being done by the group are invited to be present.

With only two weeks left before the city and the nation will celebrate the first peacetime Christmas in four years, Uplanders are beginning to make their plans for observance of a holiday season that will surpass any seen for a long time.

The postoffice reported a brisk rise in the mailing of Christmas packages and merchants said that the number of people coming into their stores to purchase Christmas gifts is increasing daily.

While everyone is busy selecting gifts for their friends and relatives, some are not forgetting the men in uniform who made this peacetime Christmas possible. They are giving gifts for wounded Americans who will spend their first Christmas at home in many years in hospitals. The campaign to collect gifts and money for disabled veterans is sponsored by the American Legion and the Auxiliary.

From everywhere parents, brothers and sisters are coming to the city to spend this day when "peace on earth and good will to men" will again reign over the spirits and hearts of men. Others from Upland are planning trips to other parts of the state or to other states.

Los Angeles Driver Praises Upland Police

A letter complimenting the Upland police force for their courtesy and tact was received at the police station today.

Lester R. Hock, of Los Angeles, who had been cited for a traffic violation a little over a week ago by Officers E. E. Carter a ndHenry Younge, said that because of the courteous treatment he received he has a great deal of respect for the city of Upland.

"I have a feeling of respect for your city and its police force instead of contempt so often existing in one's mind after a less tactful officer has made one feel like he has committed an unpardonable sin."

Officers Carter and Younge reminded Mr. Hock of the dangers of fast driving and advised him to have his driver's license renewed which he has done, he said.

Begin Repainting Sante Fe Station

Work was begun yesterday on repainting the Santa Fe Railroad station.

Not many changes are contemplated at the present except to give the station a good paint job. The same color scheme will be used with the exception of a few minor changes.

The lighting will also be changed, with fluorescent lighting replacing the present facilities.

Snow Falls at Snow Crest

While an unexpected rain fell in the Upland district today, snow was reported at Snow Crest and at Camp Baldy.

The heaviest snow was at Snow Crest where Mrs. Leslie Nelson said one inch of it could be seen on the ridge and on the barbecue tables. The snow started at 10 o'clock this morning and it seemed as if it would continue at least until morning, if not longer.

"I hope that it will snow long enough so we can get some skiing in," Mrs. Nelson commented.

Snow didn't start falling at Camp Baldy until about 11 o'clock, Mrs. Currie reported. There was still expectation that there would be by morning. This morning it alternately drizzled and snowed, Mrs. Currie said.

Hold Foster Mother Institute in January

The San Bernardino County Council of Social Agencies, through its Child Care committee, has announced a day long institute for foster mothers of San Bernardino county, to be held at San Bernardino Junior college on January 17, 1946. Clara Snyder, home making division, state department of education, will talk to the group on problems of child training. Also included in the program are discussions on child care and a luncheon address on related subjects.

Veteran Gifts Coming in Slow

More than $30 in money has been received for gifts for disabled servicemen but packaged gifts have been coming in very slowly, Edgar Pierce, American Legion adjutant, disclosed today.

Boxes in which gifts may be placed have been placed at the Harris pharmacy, at the Atwood department store and at Huxtable's pharmacy. Gifts may be placed in these containers or taken directly to Mr. Pierce at the Selective Service office.

In order that disabled and sick servicemen may receive their gifts in time for Christmas, Mr. Pierce said that it is necessary that all those intending to provide gifts should do so by this Saturday.

"The war is just over but there are many of the boys who are still in hospitals receiving treatment for wounds and illness which they suffered for us," Mr. Pierce said. "The least that we can do for them is to make them feel that we haven't forgotten them and try and make this Christmas as happy as possible for them."

For those who prefer to donate money with which gifts may be bought jars have been placed at most of the stores in the city's business section. Any amount may be placed there and the total gathered from all of them will be used to purchase an assortment of gifts.

The drive to secure gifts for disabled servicemen is sponsored jointly by the American Legion and the Auxiliary.

Former College Head To Be Lions Speaker

Dr. A. Stiner, Claremont, who is a former president of Grinnell college, and an author, will be the speaker at the meeting of the Upland Lions club in the Upland Woman's club house at noon Thursday.

Packard Sedan Wins Place on News Traffic Honor Roll

A Packard sedan with the license number of 88 P 814 won its place in The Upland News Traffic Honor Roll today.

The driver was traveling west on Highway 66 when he made a good stop at the Euclid avenue intersection. After giving the proper hand signals and observing the rights of pedestrians he turned north on Euclid avenue.

"A very good driver," police said.

Gift Mailings in Big Rush Here

Uplanders are mailing early. And that fact is very greatly appreciated by members of the Upland postal force—and, of course, by postmen all along the route of delivery.

"From indications it looks like the mailings this December will exceed those of a year ago," Roy A. Ray, assistant postmaster, said. "There was some increase in mailing of parcels here last week but the rush really started yesterday and is continuing today far greater than expectations."

People are becoming acquainted with the fact that it pays to mail early, observed Mr. Ray. That fact was apparent a year ago and about the same schedule is being observed by people this year—"except the volume is greater than anticipated."

In speaking for all the postal force, Mr. Brady appealed to the public to continue to mail gift parcels immediately and to continue the fine manner in which the parcels are wrapped.

Cast Works, No Stage Hands For "A Redeemer Is Born"

"This light is burned out."

"Which one?"

"This one," a small boy answered, holding up a blue colored light. "It won't work."

It was last Saturday morning and the cast of the Christmas play, "A Redeemer Is Born," was getting the stage at the Upland Elementary school auditorium set for the performance tonight.

Miss Esther Ziegler, the author of the story, was there to see that everything went according to plan, even if she knew that in any production nothing ever did.

The boys and girls working on the stage weren't stage hands in the strictest sense of the word. They were actors, actresses and singers, but they were also interested in seeing that everything was in order for their first performance.

"No, don't put all that paper on the manger. We want people to see the characters," Miss Ziegler cautioned.

The boy just smiled and went back to work on the light. A couple of girls came running up the stage looking things over and then ran right off again.

Somebody started to test out the lights, flooding the scenery with its bright rays one minute and then casting a soft, blue light which changed the atmosphere and mood of the auditorium entirely. That was going according to plan, if only they could get another light to replace one that had burned out.

Miss Ziegler had an answer to that one.

"I'll call my father and see if he can't get us one," she said, and all the boys started smiling again.

They were the actors, the actresses and the singers but they had to be the stage hands, too. It make it possible for you to see this Christmas play tonight.

Elect Mayberry Head of Firemen

Clinton O. Mayberry, former vice-president, was elected president of the Upland Volunteer Fire department at the regular annual election held at the Fire hall last night.

He succeeds Harold Long who has served as president of the firemen for the past year.

Other officers elected were:

Harold Rowe, vice-president; Cecil Chambers, recording secretary; Milton Huxtable, financial secretary, and Howard Paulin, treasurer.

Trustees elected were Amos Colborn, chairman, E. C. Mehl and I T. McFadden.

The new officers will begin their duties on January 1, 1946.

Outgoing officers who served during the past year in addition to Mr. Long who was succeeded by President Mayberry, were:

Clinton Mayberry, vice-president; Sam Barker, recording secretary; Harold Rowe, financial secretary and Harry Wright, treasurer. Trustees for the past year were Glenn Atwood, chairman, Clyde Duncan and Milton Huxtable.

Schools To Keep Absentee Data

Additional help to maintain records of decrease in attendance in Upland schools was authorized by the Upland school board at their regular monthly meeting last night.

The action was taken after Harold W .Cook, Upland school superintendent, told the board that if the schools showed an average decrease in enrollment of three per cent for the year, due to illness additional revenues could be received from the state.

But in order to qualify for any money, Mr. Cook said, it was necessary to keep a complete record and make a comprehensive report on the absences and the causes.

Mr. Cook estimated that probably several thousand dollars would be received by the Upland school district if an average of three per cent absences was recorded for the school year.

Hold Police Exams Next Tuesday Night

Examinations to qualify for the eligible list of the Upland police department will be held at the city hall next Tuesday night at 7 o'clock, Police Chief Eugene L. Mueller announced today.

All those who already have applications are asked to be present at that time, Chief Mueller said. Others who wish to make application have only until this Saturday noon to do so. No applications will be accepted after that time.

There is an immediate opening now for a man not over 35. Typing and shorthand qualifications are needed. An opportunity to learn criminal identification will be offered with the job.

Possible School District Changes Are Considered

Education Professor Praises Local Schools

High praise for the Upland school district came today from a professor at the University of California.

Floyd N. Morrisett, professor of education, who visited Upland schools earlier this month in a letter to Harold W. Cook, Upland school superintendent, expressed how pleased he was with the entire character of the school system here.

"I was highly impressed with the character of your educational plants, the educational atmosphere and the work which I saw in progress," he said.

Masons Plan for Installation

Plans are being made for public installation of new officers of the Upland Masonic lodge on December 27. At that time Earl Dunning will succeed Clare Blakeslee as master.

Mr. Dunning today revealed his selections for appointive officers as follows: Ralph Mitchell, senior deacon; Dale Kelley, junior deacon; Harry Snowden, senior steward; R. R. Rowe, junior steward, John T. Salisbury, tiler; Clare Blakeslee, marshal and Dr. James V. Latimer, chaplain.

Committee appointments will be announced later by Mr. Dunning.

Mr. Dunning was recently elected worshipful master. Others elected were Rev. Creighton, senior warden; Marvin Francisco, junior warden; Allan S. Barr, treasurer, and Walter W. Horak, secretary.

"Pepper" Was Taken And H. N. Compton Wants Him Back

"Pepper" is gone and his master is out to get the guy that took him.

It all happened at the auto court on the corner of Foothill boulevard and Campus avenue last Friday. According to H. N. Compton, of Ontario, somebody drove along when he wasn't looking, picked up "Pepper," put him in his car and drove away.

So Mr. Compton didn't waste anytime. He got the license number of the car as the driver drove away and found out from the lady who runs the auto court that he had registered there the night before.

He told police that the name of the guy who abscounded with "Pepper" was Herbert L. Jennings, of Long Beach, and that he wanted to file a warrant for his arrest. He wanted "Pepper" back and mighty quick.

Incidentally, "Pepper" is a Boston Bull terrier with white markings around his neck and white marking on his feet.

It was reported at 10:55 this morning by Long Beach police that they had apprehended Jennings and he was out on $100 bail. Pepper has been placed in the Animal shelter and his master, Mr. Compton, went after him today

Abner Haldeman New Business Manager Of Beulah College

Abner B. Haldeman has been appointed business manager of Beulah college, returning to Upland from the position of sales manager of Todd's dairy in Orange county. He succeeds Miss Dortha E. Dohner, who served as business manager during the wartime emergency.

Mr. Haldeman and his wife are former students of Beulah college. He is a member of the college board of trustees and has been active in the Brethren in Christ church work. He was chosen for the position earlier in the year but was unable to come here until just recently.

Sierra Vista School Is Big Question

Detailed statistical reports and a large scale map of the Upland school district will soon be submitted to Charles Gibson, division of schoolhouse planning, state department of education, Harold W. Cook, Upland school superintendent, told school board members last night at the Junior High school.

Mr. Gibson, who made a survey of schools here last month, will make his recommendation on whether to build a new school at the Sierra Vista site or to make additions to the Upland Elementary school following a careful study of the material forwarded to him by Mr. Cook.

Mr. Gibson told Mr. Cook when he was in Upland that before any decision could be reached as to which course would be most advisable it is necessary among other things to determine which way the city is going to grow.

NEW DISTRICT

The schoolhouse planning representative also expressed his opinion that upon first observation he saw very little justification for the continued existence of the Eighteenth Street school because of the small group of children who are now attending there.

According to the reports prepared by Mr. Cook and his staff the enrollment of a hypothetical elementary school of the future would have a total enrollment of 175 pupils. This school would serve the area in the Upland school district bounded on the north by the north side of Fourteenth street, on the east by the eastern boundary of the school district, on the south by north side of Foothill boulevard and on the west by the east side of Euclid avenue.

NEW FIGURES

Enrollment is expected to be divided into the following grades:

Kindergarten, 20; first grade, 41; second grade, 21; third grade, 22; fourth grade, 17; fifth grade, 21 and sixth grade, 21.

The establishing of this new boundary line would decrease the

(Continued on Page Six)

Only $1 Awarded From Funds

Only one dollar was awarded in the two dividend funds maintained here.

E. E. Claiborne, who resides on Nineteenth street just east of the Old Baldy Citrus association packing plant, did not have sales slips from Saturday's buying in Upland—and consequently did not win the $50 offered. He was given $1 as a consolation award last night.

The Claiborne address is recorded in The Upland News residential directory on page 23, line 58.

FOOD FUND

At first Mrs. Walter Gear, 940 West Sixteenth street, thought she had food store sales slips to entitle her to the $25 offered Thursday night but a closer check revealed she did not qualify to win.

While she and her family buy always in Upland, it so happened the food store sales slips were not retained.

The $25 jackpot is, therefore, held over for another drawing Thursday night, plus an additional $10 to make the offer $35.

Food stores advertising in today's Upland News are entitled to issue sales slips in connection with the plan. At about 6 p. m. Thursday a drawing will be conducted from The News residential directory to select an address, where the money will be offered.

All it takes to win is one sales slip from one of the food stores. Food purchases are to be made Wednesday or Thursday and the purchase is to total at least $1.

Participating food stores are Central Meat market, Lee's Market, Arrow Market, Safeway store, Walker's Market, Clint's Produce, Snowden's Market and Olson's market.

The Special Legislative Session—

In political circles and in newspaper offices the name of Clem Whitaker means propaganda. That's his business, writing publicity for various interests and conducting campaigns for various individuals or projects.

Seldom is much of Mr. Whitaker's material used in The Upland News, although we do keep an eye on what he writes and what he is promoting. Today's dispatch gives a resume of loose ends on the proposed special Legislative session. It concerns all of us. And it is right to the point:

If you have had the experience [as who hasn't?] of walking into a neighborhood movie, all primed for an evening's entertainment—only to find that the main picture was one you had already seen some months before—then you have a fair idea of what to expect when the State Legislature meets in special session soon after the start of the New Year.

The unvarnished truth about the scheduled 1946 legislative premiere, despite the fact that it has been billed as an extraordinary meeting on post-war problems, is that it will be little more than a dolled-up revival of issues which failed to click at the regular session of the Legislature last spring.

It was a B-picture in 1945—and there's nothing to indicate it will be anything but a B-picture in 1946. There's even considerable puzzlement among legislators, newsmen and members of The Third House as to why there should be a special session, as a matter of fact. But the consensus of opinion seems to be that Governor Warren, having committed himself to the special session idea when it was believed there might be pressing problems to be considered, feels he has to go through with it, even though none of the actually serious problems will be on the agenda.

If you want to take another look at last spring's legislative picture, as spruced up for its second showing, here are some of the major issues scheduled for consideration at the 1946 special session:

Allocation of a $90,000,000 special building fund, which was kicked around for weeks at the early 1945 regular session; this is better known as "the Christmas-tree fund". Governor Warren wants the money for state buildings; the counties and cities want the money for local projects.

Proposals for continuing child care centers in California after the Federal government pulls out. Originally intended as strictly a war-time innovation, there is now pressure to make the centers permanent.

A bill to permit the payment of sickness and disability benefits under the Unemployment Insurance Act. This is the Shelley bill which was killed at the regular session of the Legislature.

Several bills to extend the period [probably to six months] for which unemployment insurance benefits could be paid—and to increase the payments to $25 a week. Similar bills were killed last spring.

A new version of the old bill to create a State Aviation Commission to "promote" commercial aviation and assist in financing airports. This is considered an opening wedge to remove the airlines from jurisdiction of the State Railroad Commission, which regulates other forms of transportation.

A so-called "Full Employment" Act, representing a modification of the Federal proposal, and a Fair Employment Practices Act, similar to the bill which failed of passage last spring.

Stripped of press-agentry, that's about what you'll see—and hear—when the 1946 revival of the 1945 legislative show gets going.

MAM To Sponsor Fiesta Soon

A Fiesta sponsored by the Chaffey district council of the Mexican-American movement will be held at the Chaffey auditorium on January 25, 1946.

Proceeds of the Fiesta will be used to award several scholarships to worthy Mexican-American young people and to finance club activities in Upland, Ontario, Cucamonga and Guasti.

The local committee met at the home of Mr. and Mrs. Paul Coronel last Thursday to continue making plans for the Fiesta next month. Those attending the meeting were: Julian Anguiano, Miss Carmen Castro, Miss Ruth Castro, John Graciano, Mrs. Helen Ensign, Higinio Escanucias, Steven Malacon, Mrs. James A. Martinez, Mrs. Maude Linsley, Joe Valadez, president of the council, and Mr. Coronel.

In preparation for the grand Fiesta the committee decided to sponsor a dance in Guasti to help finance the Fiesta. The Inter-American Council of Upland will assist in this affair.

"It is greatly hoped that this major activity to be presented at the Chaffey auditorium will bring together the Anglo-American and Mexican-American people into closer cooperation to help meet the needs of youth in these communities," Mr. Coronel said.

Vets Don't Want Harvest Jobs, But Something Better

"Not very many returning veterans want harvest jobs, they seem to want something a little bit better," Ted MacLaren, manager of the California Farmer's association, said today.

"But we've got plenty of help right now," he continued, "but how it will be like when the harvest starts no one can foretell."

Although no official action has yet been taken in Washington on the renewal of contracts with the Mexicans, Mr. MacLaren said, the contracts have been signed. It is believed quite certain Congress will act favorably on the request.

Speakers Report On Japanese

People of Japan are submissive, and many leaders admit that it was fortunate for the nation that the Allies won over the Japanese military power, members of the Upland Methodist church congregation were told Sunday night by two speakers.

The speakers reported on the recent visit of Bishop James C. Baker to Japan, he going at the invitation of General Douglas MacArthur to study Japan and to confer on the matter of future governmental and religious policies. Bishop Baker recently reported on his visit at a meeting in Pasadena. Attending the Pasadena meeting from the Upland church were Ernest H. Gibson and John E. Engle.

These local men discussed Bishop Baker's report Sunday night, emphasizing that the Japanese people are very receptive to accept Christianity. Bishop Baker and his party visited many parts of Japan and conferred with Japanese everywhere on their attitude toward the conquerors and toward Christianity.

In Japanese newspaper editorials and in other expressions, people in the orient said that it was far better for the Japanese to be under the control of the Allies than the Jap war lords.

Mr. Gibson and Mr. Engle each emphasized that Bishop Baker had said the Japanese were willingly following the leadership of the Americans and they were just as willing to accept the American's religion.

American fruit production has increased 40 per cent in the past ten years but in the same period production of citrus fruits has doubled.

Clothing Drive Starts January 7

Clothing for the Victory Clothing collection is already being turned in by Uplanders although the drive doesn't officially get underway until January 7, 1946, Lowell Donnell, chairman for the local committee, said today.

Two clothing stations have been designated by the committee in charge where clothes may be left. They are the J. J. Atwood company and at the Upland fire hall. Arrangements have been made, Donnell said, to pick them up from there. Packing of the garments will be done in the basement of the Presbyterian church.

"The Victory collections drive which is headed nationally by Henry J. Kaiser is an effort to provide clothing for people all over the world who have been left without adequate clothing because of the ravages of war. The drive is officially scheduled to be held January 7-31.

Expect High Traffic Toll During This Holiday Season

California's first peace time holiday season in four years may be marred by the highest traffic death toll in history, the Department of Motor Vehicles reported today.

Early reports received by the Department's Bureau of Statistics indicate traffic deaths for December will exceed 400 and that the year's total will approach the record of 3615 established in 1941. Deaths for the first eleven months approximated 3200 and the number injured was closed to 55,000.

With price ceilings set, we eventually will be able to drive a new car without having to drive a bargain.

Seal Sale Will Help All People

"You are never too old to get tuberculosis."

Tuberculosis associations in California, currently appealing for funds to finance their programs through the 39th annual Christmas Seal Sale, have based this slogan on official statistics compiled by the state department of public health, Mrs. Tweed Stone, Upland chairman, said today.

Nearly one-fifth of 8626 tuberculosis cases reported to the state department in 1944 were of persons over 55 years of age. Approximately one-third of all the tuberculosis deaths in California were among persons in this age group.

"In conducting X-ray programs in California for the purpose of finding tuberculosis in its early stages, Christmas Seal organizations are constantly inviting the participation of older persons," Dr. Howard W. Bosworth, Los Angeles, president of the California Tuberculosis and Health association, declared.

"This is not an attempt to bypass younger people—tuberculosis is still the No. 1 killer in the 15-45 year age group. Disease and death are always more tragic and more dramatic when they strike the young. Literature is crowded with young heroines and heroes wasting away with tuberculosis to the extent that we are inclined to forget that this dease also in a constant threat to those who have passed the middle-age level.

"As a class, older individuals are less likely to appreciate that they can be suffering from tuberculosis and are in need of treatment at a time they are feeling well. Frequently they do not understand that they might be a dangerous source of infection to those whom they are anxious to protect from disease. The helaht education program of the tuberculosis association is geared to include this age group, which has been too frequently overlooked in the past."

SPECIAL SHOW

A special performance of "Las Posadas," fourteenth annual Christmas play, was presented at the Padua Hills theater last week for 300 Spanish students from Chaffey. Miss Ina Wynne, Spanish teacher, accompanied the group.

BATTLESHIP PARTY

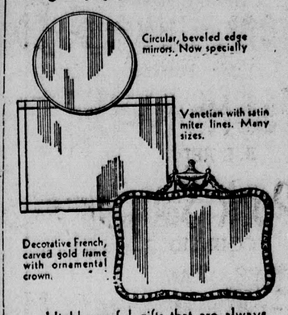

All South Dakotans are invited to attend the party to be held on the U.S.S. South Dakota at Long Beach Harbor this Sunday at p. m. Entertainment and refreshments will be provided aboard the huge battlewagon.

Betty Hicks Will Speak to Rotary

The Women's national golf champion will be the speaker at the regular dinner meeting of the Upland Rotary club tomorrow noon at the Upland Womans' club.

She is Miss Betty Hicks, who is now golf coach at Pomona college. She will talk on golf in all different aspects, and Harold Barbour, program chairman, reported that she has a reputation for making very witty and entertaining speeches.

Dr. Benjamin J. Scott, professor of speech at Pomona, will introduce Miss Hicks. Mr. Barbour said that he was flooded with so many requests by members to introduce the pretty golf champion that he decided to compromise by having Dr. Scott do the honors.

Claremont Resident Claimed by Death; Funeral Wednesday

Mrs. Helen Record Schaffner, Seventh street, Claremont, widow of Siegfried Schaffner, passed away Sunday evening at the Pomona Valley Community hospital, where she had been a patient for four days. She was 62 years of age.

A native of Evanston, Illinois, Mrs. Schaffner had lived in California 38 years. She resided in Laguna Beach and San Gabriel before coming to Claremont 19 years ago. She was a member of the Upland Methodist church. Her husband died May 17, 1943.

Surviving Mrs. Schaffner are two sisters, Mrs. Odell Sheppard of Hartford, Connecticut, and Mrs. Willard M. Webster of Los Angeles; and one brother, Arthur Record of Northridge, California. Mrs. William T. Schaffner of Upland is a sister-in-law.

Funeral services will be held Wednesday afternoon at 2 o'clock at the Stone Funeral home, 329 East Ninth street, with Dr. Samuel Hughes, pastor of the Upland Methodist church, officiating. Private cremation will follow the rites.

Based on money in circulation, each of us should have had $200.10 on Oct. 21, says the treasury. Don't ask us who got yours!

Help them get home for Christmas

Make only essential trips during the holidays

528,000 home-bound members of our victorious forces will reach West Coast ports this month

The biggest gift that thousands and thousands of the men and women in our fighting forces could get is a chance to spend the Christmas holidays with the folks at home.

But getting them home is far more than a matter of discharge papers or a holiday leave—there's the problem of getting them to wherever home is.

Tens of thousands are now in California ports waiting to get home.

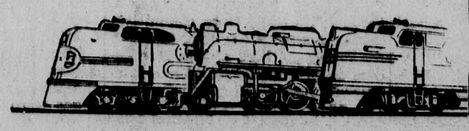

The Army and Navy tell us that better than a half million service personnel will be returning in December. That means 17,000, on the average, must be taken care of each day.

Our trains are already overcrowded. We don't want to disappoint a single soldier, sailor, marine, coast guardsman, Wac, Wave or Spar we can possibly find space for.

So won't you help us to do our share in playing Santa Claus to them by postponing your trip until after the holidays—unless it *has* to be made.

You'll get—we'll bet—a little glow out of knowing that you're making it possible for somebody in the service to be home. So again we ask, in all friendliness, won't you postpone your trip until we can serve you in the traditional Santa Fe manner.

Priscilla Club Packs Boxes for III Servicemen

Members of the Priscilla club had their December meeting Friday at the home of Mrs. Bessie Hardt, 335 South Sultana avenue, and spent much of the day packing 12 large Christmas boxes for hospitalized service men.

Roses and chrysanthemums decorated the table for the contributed luncheon served at noon.

In the afternoon the members took time for their own Christmas party and exchange of small gifts.

Mrs. W. A. Sherbondy and Mrs. Frank S. Sargent were guests, and Mrs. Royal V. Ward was welcomed back as a member. Other members enjoying the hospitality of Mrs. Hardt were Mrs. Mary Baker of Pomona, Mrs. William Rohrig, Miss Blanche M. Loch, Mrs. Wilbur H. Spicer, Mrs. Clarence C. Verity, Mrs. L. R. Bradley, Mrs. Niles Rohrig, Mrs. Wilbur Rider and Mrs. Hannah Davidson.

Mary Brainard Tent Celebrates 20th Anniversary

Members and Guests Gather for Party In Memorial Hall

Marking the 20th anniversary of the founding of Mary Brainard tent, Daughters of Union Veterans, the members entertained with a delightful party Saturday evening in Memorial hall in Ontario. Special guests were Harry Collins, national judge advocate; Mrs. Lillian Gardner, department counselor; Mrs. Alice Kaiser, department press correspondent; and Mrs. Margaret French, past department secretary; all of Los Angeles; and there were visitors from the Pomona tent and from the allied patriotic orders.

Baskets of fall flowers decorated the hall and across the front were 20 candles, symbolizing the years the tent has been organized. Mrs. Ralph E. Peyton and Mrs. Hal R. Halstead were escorted in with the colors and then lighted the candles.

Also brought in with the colors were Mrs. Nathan Cohn, tent president, Mrs. P. H. Colling, department chaplain; and Mrs. T. A. Evans, entertainment chairman; then the three charter members, Mrs. Sadie Benner, Mrs. Harry H. Stauffer and Mrs. Minnie D. Goodrich. Mrs. Cohn presented each of the latter with a corsage.

A program of music followed. David Wass played two flute solos, accompanied at the piano by his mother, Mrs. Warren H. Wass. The Beach sisters, pupils of the Dorothy Williams Dance studio entertained with tap dances, and three-year-old Patty Hallowell sang two songs, George Duley was the accompanist. Mrs. Marion Maxwell gave two vocal selections, with Mrs. Joe Seitz at the piano, and Joe Bertino played two accordion

Girl Scout Council Elects Mrs. McCarter Commissioner

Mrs. J. E. McCarter is the new commissioner of the Girl Scout Council of the Chaffey community for 1946. She was elected to succeed Mrs. Warren H. Wass at the regular council meeting yesterday afternoon in the Girl Scout house on Third avenue.

Other officers chosen are Mrs. Wass, deputy commissioner; Mrs. Oregon Smith, secretary; and Mrs. C. C. Peabody, treasurer.

Tentative plans were made for the annual dinner meeting of the Chaffey Community Girl Scout organization, which will be held on January 26.

The council took initial steps to sponsor locally a national project of making "Friendship Bags" for Girl Scouts and Guides in war devastated countries. These bags are to be made by the Girl Scouts in the United States and are to be filled with a number of specified articles, such as buttons, pencils, shoe laces, etc. Belgium has been chosen as the recipient country for the local bags.

It was reported that final arrangements have been made for the annual Christmas party for Mexicans which is scheduled for December 20. Mrs. Frank Phillips is in charge and assisting her are Mrs. Oregon Smith and Miss Clara Bissell.

Friends Call to Honor Mrs. Moore On Birthday

Honoring her mother, Mrs Elizabeth Moore, on her 85th birthday anniversary, Mrs. Earl H. Johnson held open house Saturday afternoon at her home, 418 North Laurel avenue.

Many friends called to offer their congratulations and good wishes to Mrs. Moore who has long been an active worker in the Upland Presbyterian church and teacher of the Friendly Bible class of the Sunday school.

Chrysanthemums and roses decorated the rooms for the occasion and on the tea table were rosebuds and candles in silver holders. Pouring during the afternoon were Mrs. Robert E. Van Ness, Mrs. Frank K. Nichols and Mrs. Archie L. Moore.

Christmas Program Thursday Night for Business Women

The Upland Business and Professional Women's club is observing guest night at their Christmas meeting Thursday evening in the Upland Woman's club house, which opens with a dinner at 6:45 o'clock, according to announcement by the president, Miss Olive Wilkowske.

Reservations are to be made by Wednesday.

The program, arranged and directed by Mrs. Charles W. Hawthrone, will feature Christmas music.

Assisting Mrs. Hawthorne on the committee in charge of the meeting are Mrs Clara R. Jacobs, Miss Harriet Wolfgram, Mrs. Alfred Swinney and Mrs. Vera Dickinson.

❖ ❖ ❖

Election of DUV Tent Officers Thursday Night

Featuring the December meeting of Mary Brainard tent, Daughters of Union Veterans, Thursday evening at 7:30 o'clock in the W.R.C. Memorial hall in Ontario, will be the annual election of officers and the initiation of two new members, Mrs Nathan Cohn, president, announced today.

All officers are asked to bring their rituals.

Concluding the evening, refreshments will be served by a committee headed by Mrs. H. E. Nicholson.

numbers.

The refreshment table was beautiful with white candles in silver holders and sprays of red berries tied with silver ribbon. In the center was a large birthday cake presented by Commander Earl F. Riggs of the Sons. There was also a birthday cake from the three charter members and two from Roger Sumner. Mrs. Minnie Goodrich and Mrs. Harry H. Stauffer presided at the tea and coffee urns, and the other charter member, Mrs. Sadie Benner, cut and served the birthday cakes.

Mrs. T. A. Evans was program chairman; Mrs. Cora L. Wilson, chairman of tables; Mrs. P. H. Colling, decorations; and Mrs. Hal R. Halstead, refreshments. They were assisted by many of the members.

Study Club Hears Biography Review

Mrs. F. W. Palmer was hostess to members of the As-We-Like-It Study club Friday afternoon at her home, 376 North Euclid avenue. For the program Mrs. Charles J. Boothe gave an interesting review of the biography of Albert Einstein, written by his son-in-law and a friend.

Mrs. Ashby Powell read a Christmas story, and Mrs. V. H. Wilson discussed several current events.

Present were Mrs. Booth, Mrs Powell, Mrs. Wilson, Miss Sinabel Hart, Mrs. Franklin M. Baxter, Mrs. Mary A. Eckerman, Mrs. Edith Crane, Mrs. H. W. Hawkinson, Mrs. E. A. Magill and the hostess.

Give 'Redeemer' Play Tonight

Living pictres of the story of the Jewish people from the time of their captivity in Babylon until the birth of Christ is the Chirstmas play that will be presented to the public at the Upland Elementary school auditorium tonight at 7:30 o'clock.

Titled "A Redeemer is Born,' the musical pageant features singing groups from both the Junior High and Elementary schools and the Cue and Curtain club. Miss Barbara Berkley and Miss Lee Schoeneck are the directors of the music. Miss Esther Ziegler is the author of the script.

The program is sponsored by the Parent-Teachers association.

The same production was presented to the Elementary school pupils on Monday afternoon and will be presented at the Junior High school Wednesday afternoon.

Ontario Boy Wins At Livestock Show

Jack Wolfinbarger, of Ontario, won fifth place in a class of fat Hereford steers held at the Great Western Livestock show which ended Friday in Los Angeles.

Many other San Bernardino County 4- Hclub members also won prizes at the show.

Former Uplander Writes Child Book

A children's book by a former Uplander will soon be on sale at all of the bookstores in the nation.

The author is the former Betty Boulton, daughter of Mr. and Mrs. W. E. Boulton and the sister of Mrs. Douglas Black, who is now living in San Francisco Del Oro, Mexico. She is now Mrs. Ralph Herndon and has lived in Mexico for the past 12 years with her husband who is a mill superintendent.

Mrs. Herndon attended schools in Upland and Chaffey before leaving Upland. Her book deals with all kinds of desert wild life and is specially slanted for juvenile readers.

More Than 150 Singers To Appear On Chaffey Christmas Program

More than 150 singers will be on the stage when the choral department of Chaffey college and high school present a Christmas program of pageantry and music before the combined student bodies Friday morning.

The a cappella choir, high school boys and the advanced girls glee clubs, with some members of the sophomore and freshmen girls glee clubs, will participate in the program. With the music will be six tableaux telling the story of Christmas with touches of the present war interwoven into it.

Lieutenant Francis E. Wilson, Chaffey graduate and tenor soloist for many years, will also appear on the program. The pageant is under the direction of S. Earle Blakeslee while Florence H. Blakeslee is the author of the script.

The complete program follows:

A group of old carols, sung offstage by the Sophomore club, "The First Nowell" and "O Little Town of Bethlehem."

Processional, "O Come, All Ye Faithful."

"The Singing Reeds,' 'an old Christmas mystery story, high school Advanced Girls' club.

"The Carol of the Bells" from the Russian, the A Cappella choir.

"The Christmas Rose" old Catalonian folk song, Freshmen Girls club.

"Hear, ye People" from the Russian, A Cappella Choir and High School Mixed chorus.

"Cantique de Noel" from the French, tenor solo by Francis Wilson, accompanied by the high school Advanced Girls club.

"Praise God, Extol Him" from the Norwegian, A Cappella choir.

"The Shephards and the Inn" Spanish-American, Sophomore Girls club.

"March of the Three Kings," old Provencal melody, High School Boys club.

"Glory to God in the Highest," old Italian, Advanced Girls and Sophomore clubs.

"Silent Night" and "Dresden Amen," A Cappella Choir and High School Mixed chorus.

The five tableaux will represent:

American Soldiers at the Chruch of the Nativity, Jerusalem.

The Shepherds and the Star.

The Angeles Choir.

The Wise Men.

The Creche at Bethlehem.

The narrator at the microphone will be Janet Voyles. Accompaniment will be provided at the piano by Laurel Hillman and Donald Knox, with Avis Fishback at the organ.

New School Bus Will Be Ready in February

The new 64 passenger Elementary school bus will probably not be ready until some time in February.

This was learned today from Delta, Ohio, where the Americoach body was to be built. The letter blamed the wave of strikes for delay in the production of the bus. It was originally scheduled to go into operation by the first of the year.

The new school bus which the School Board ordered in October will cost $4740.75, plus the sales tax and $300 for driving it out here.

Hold Exams for Typists in This Area

The Twelfth United States Civil Service region has announced examinations for positions as stenographer, $1704 and $1902 per annum, and typist, $1506, $1704 and $1902 per annum, in various government agencies in Santa Barbara, Ventura, Los Angeles, San Bernardino, Orange, Riverside, San Diego and Imperial counties. Because a sufficient number of oligibles cannot be obtained from among veterans entitled to reopen examinations, these examinations have been opened to the general public, and all persons who qualify may apply.

Announcements and application forms may be obtained from and should be mailed to the Manager, Branch Regional Office, Twelfth U. S. Civil Service Region, 514 Post Office and Courthouse buliding, Los Angeles 12, California. Applications may also be obtained from the Commission's local secretary, Mr. McMasters, located at the post office.

Dresses are to be longer next year, says a report. A tough break for the men, no matter how they look at it.

Thanks,

Uplanders

For 14 years it has been our privilege to become acquainted with many people.

To state that we appreciate the friendships and the opportunity to serve is putting it very, very mildly. While we are retiring from the grocery business, we will remember forever the many pleasant associations and the many happy years we enjoyed "on the corner".

We will be "at the store" for a short time to assist our successor, Frank Dato. We hope we will see you, our customers, there, and to personally express our thanks to you.

In any event, we will always remember each of you.

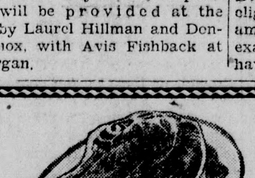

Thanks, Uplanders!

RIVERSIDE COUNTY a vital part of AMIGHTY EMPIRE

THE 4½ million sun-drenched acres of Riverside County produce food and minerals which are vital to the economic health of the great Southland Empire comprising San Bernardino, Riverside, Orange and Los Angeles counties.

Probably no other region in the world offers such a limitless range of climatic conditions conducive to the growth of diversified agricultural products. From the Salton Sea, 265 feet below sea level, to the pine-studded 10,800 foot summit of Mt. San Jacinto, there exists a climatic condition in which nearly all fruits, grains or vegetables flourish. From the Coachella Valley come 75% of all of the dates grown in the western hemisphere and from the first two navel orange trees in America, one of which still blossoms and bears fruit in the City of Riverside, there has arisen a giant citrus industry.

During these war years when the production of food has been so essential to victory, the citizens of Riverside County set an unprecedented record of production. They increased their productive acreage from 179,760 in 1938 to 211,032 in 1943. The value of crops produced increased from $13,670,000 to $51,270,000 in the same period.

There are hundreds of thousands of young Americans in our armed forces who will vouch for the productivity of Riverside County. Whether they trained at Camp Haan, Camp Anza or March Field—giant training and staging centers for our ground and air forces, or stormed ashore to establish a beachhead in a Riverside-made amphibious tank, these men know that Riverside County residents were in all-out war production until final victory was won.

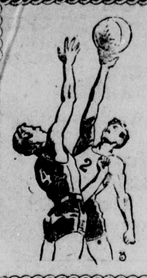

Now since the war is over and their uniforms are being put aside—many will return to make their homes in Riverside County—to visit the famous Mission Inn, or Palm Springs or relax in the cool comfort of the tree-clad slopes of the San Jacinto mountain range.

While Riverside County was an outstanding example of patriotic endeavor in time of war—its greatest attributes are those which make for the true American way of living at all times.

Pacific Electric is proud to have served the people of Riverside County for decades past, but the service we were able to provide during the war years has been especially gratifying to us. Not only did we have the privilege of serving the local residents—we were able to provide a much needed transportation service for hundreds of thousands of our American boys who were in training near Riverside—boys who fought on the battle fronts of the world.

In the post-war years it will continue to be a pleasure to serve the people of Riverside County in a manner befitting their progressive, energetic spirit.

PACIFIC ELECTRIC RAIL LINES MOTOR COACH

Sport . . . . . Slants

By STEVE KALAGIAN

The Chaffey Panthers took a beating at the Chaffey gym on Saturday night.

The score was 49-32, which may not be too bad on paper, but you had to see the game to realize that Chaffey has got to do a lot more developing before they can become any kind of a threat when league competition begins.

It wasn't that the boys looked absolutely hopeless, far from it. They showed at rare moments that they had some good basketball in their systems but that it has to be apparent a lot more often than it was Saturday night.

Coach Muggs Mitchell said last Tuesday that the boys were still getting football out of their system and he proved to be right. Some of the demonstrations at the Chaffey gym more properly belonged on the gridiron than on the basketball court.

Pasadena was, of course, a smooth-working outfit that managed to click pretty steadily all through the game. On defense, they intercepted Chaffey passes frequently and had most of the Chaffey boys pretty well covered constantly.

Lots of improvements have to be made in the Chaffey lineup before next month. First and most important of all is the fact that the Panthers still have a long way to go before they can work together as a unified organization. Some of the boys have to develop a little bit more aggressiveness which no doubt will come when they finally do start clicking as a team and not as a conglomeration of individual players.

Pomona grid battle will be the last game of the season next year . . . Let's hope that by that time some of the excessive enthusiasm will have worn off and nothing will happen to prevent the game from being played again . . . The boys over at the Junior High school are concentrating on developing into a good basketball team even if they don't have a gymnasium to do it in . . . The crowd was really slim last Saturday night at the Chaffey gym . . . not even one side of the gym was filled . . . We've had a lot of comments about how much better Christmas decorations we have in Upland in comparison to other cities around here.

Frenchmen Inspect Parkside Housing

Five French architects looked over the Parkside project Saturday morning and reported to Mrs. Douglas Black, who is in charge of the temporary housing there, that it was the best type of temporary housing they'd seen anywhere.

Mrs. Black said that the Frenchmen were on their way to the Kaiser plant in Fontana when they noticed the Parkside homes. Since they were greatly interested in similar projects for war-ravaged France, they stopped to inspect the Parkside area.

All of them agreed that the temporary housing as demonstrated at Parkside would be ideal for the critical housing shortage in France.

Drunken Driver Gets $100 Fine and 90 Day Sentence

Albert Marquez, 27, 625½ East G street, was fined $100 and sentenced to 90 days in the county jail by Judge Mildred R. Puckett for driving while intoxicated.

A stay of execution on the sentence was granted by Judge Puckett, however, with the stipulation that if Marquez is involved in a violation of any nature it would go into effect immediately.

Marquez was picked up by police Wednesday night. He had a two-third empty bottle of rum in his car, police reported.

Tigers Drop Close One to San Diego

Chaffey High school cagers let opportunity trickle from their fingers in the last half minute of the game as they dropped a close contest to San Diego Hoover High school, Friday afternoon, 37-34.

Wtih only half a minute left to play and the score only 34-35 against them, the Tigers were given two free throws on a Hoover foul. Conversion of one would have tied up the ball game and of two put them out in front. But both attempts were missed and San Diego took advantage of the remaining seconds left to slip another basket through the hoop and take the game by a safer margin.

Chaffey started out on the right foot for when the first quarter ended they were out in front, 6-4 It was a nip and tuck battle during the second period and the half ended 14-14. But in the second part of the game San Diego pulled out in front and managed to keep a few points lead for the rest of the game.

Bill Dingle, left forward, paced the Chaffey scoring with 17 points.

Chaffey lineup included:

Hoover, Aiken, right forwards; Dingle, left forward; De Young, Whitham, McClure, centers; Gilbertson, Bently and Frantz, right guard, and Kruggell, left guard.

Busters Trounce Wolverines

The Busters hung up their second win of the season in the Beulah college basketball trophy meet as they whipped the Wolverines Friday, 22-13.

Led by D. Book and Bill Georgiades the Busters went right out in front from the opening gun and were never in danger at any point thereafter. The score at the end of the half was 11-5 in favor of the Busters.

The game was characterized by more fouls than usual and the Wolverine center, Troyer, was ruled out of the game after he had committeed four fouls.

Busters		Wolverines
Halderman	F	Guengerich
D. Book	F	W. Heise
Georgiades	C	Troyer
Horst	G	Engle
Bailey	G	H. Heise

Chaffey To Play Corona Next

A shift in the Panther lineup is expected tomorrow night when the Chaffey Panthers meet the Corona Naval hospital here.

The game will start at 7:30 p. m.

In order to develop a stronger offensive Coach Muggs Mitchell has decided to change Dick Mayhew from left guard to left forward where he can use his good shooting eye to better advantage.

Salyards, high point man against Pasadena Saturday, will draw the berth at right forward in the starting lineup instead of Znaolek, who has been at right forward but will be changed to left guard. Ernie Warner will stay in the center position and Pierce, a new man, will probably start out at right guard.

The final game which will end sport activities before the Christmas recess will pit the Panthers against an alumni team which will include former Panther stars Olinger, DeWees, DeVore and Farrar.

Panther Grid Banquet Tonight

Captain Bert Heiser, former Panther coach, and Capt. John Mead, coaches for the Fourth Air Force Flyers, will speak to the Chaffey college football squad at the football banquet to be held tonight at 6:30 p. m.

Names of those who will receive football letters will be announced at this banquet for the first time. Athletic Manager George Cathcart is chairman of the committee in charge of the banquet.

A dance will follow the dinner.

Pasadena Trims Panthers, 49-32

A smooth-working, fast-clicking Pasadena Junior High school walloped the Chaffey Panthers Saturday night at the Chaffey gym, 49-32.

Led by Forward Rose who scored eight buckets for 16 points, Pasadena had little difficulty in subduing a hard-fighting Panther team. Ripply, center for the visitors, also had a field day as he hung 13 points.

Chaffey tried gamely to overcome the lead which Pasadena piled up from the very beginning but it seemed to be a lost cuase from the start. The visitor's defense was air tight in many cases and many Panther shots went wild of their mark. The score at half was 23-17 in favor of the visitors.

Salyards, forward, scored the most points for the Panthers with 12 points while Znaolek, Mayhew and Warner accounted for six each.

Lineups were:

Chaffey		Pasadena
Salyards	F	Rose
Znaolek		
Smith	F	Ochra
Weeks		Myer
Znaolek		
Warner	C	Ripley
		McDonald
Shamblin	G	Godfrey
Rodriquez		Adams
Perry		
Mayhew	G	Bricis
		Watson

Two men were arrested on suspicion of stealing a bathtub from a new home in a Michigan town. Police hope they'll come clean.

Chaffey To Open '46 Grid Season Against Colton

The football season for the Citrus Belt league will be officially opened next year on October 18 and close on November 15, league officials decided at a meeting held in Pomona.

According to the schedule drawn up for next year Chaffey High school's opening game will be against Colton and the final contest against Pomona.

The schedule follows;

October 18—San Bernardino at Pomona; Redlands at Riverside; CHAFFEY at Colton.

October 25—Riverside at Pomona; Colton at San Bernardino; Redlands at CHAFFEY.

November 1—CHAFFEY at Riverside; San Bernardino at Redlands; Pomona at Colton.

November 8—Redlands at Pomona; CHAFFEY at San Bernardino; Colton at Riverside.

November 15—Pomona at CHAFFEY; Colton at Redlands; Riverside at San Bernardino.

TWO CARS

Police today ordered that two cars which had been parked on Foothill boulevard for the past 48 hours be towed into the Ford garage. One of them was a Lincoln Zephyr and the other a 1934 Ford coupe with a Rhode Island license plate.

243,500 Surplus Skis Are Now Available

Record prospects for the West's first peacetime winter sports season were heightened today with the announcement by Reconstruction Finance Corporation's office of Surplus Property, consumer goods division, that 243,500 pairs of military-type skis as well as large quantities of other snow equipment have been declared surplus by the Army and will be made immediately available to qualified dealers on a national basis.

Quantity allocation of these skis are to be made to California, Nevada and Arizona, but orders from dealers are now being received by OSP offices in San Francisco, Los Angeles, Phoenix and Reno. The offering to the trade includes both laminated and solid hickory skis, metal edges, without bindings. Ninety per cent of the skis are new.

Other snow equipment offered to the trade at this time by the agency includes: ski poles, steel or laminated, bamboo with leather grip and rattan ring; ski bindings, ski adapters—sets of aluminum blocks for use in converting military-type skis to sleds; and ice creepers.

SO THEY SAY—

Canada is prepared to take whatever risk may be involved in joining this (United Nations) organization because the other risk—that of not having an international organization—is something of such consequence that one hardly dares envisage it.

—Louis St. Laurent, Canadia justice minister.

Chaffey To Play El Monte Tomorrow

The Chaffey Tigers will have an opportunity to avenge the close game they lost to San Diego Hoover High school last Friday when they meet El Monte High school tomorrow afternoon.

This is another practice game which Coach Kaiser has arranged in preparation for the league competition which begins next month.

We've never known the tariff to please everybody — probably because it has too many duties.

ANNOUNCEMENT

Jack Banner announces that DeVon Francisco has become associated with him in the operation of

Cucamonga, Alta Loma Still Behind in Quota

"Cucamonga and Alta Loma are the only two communities in the West End who have not reached their quotas," George Mahan, chairman of the Victory Loan drive for the Cucamonga-Alta Loma-Etiwanda area, commented today as he released the latest bond figure sales.

Declaring that Alta Loma still has $15,000 and Cucamonga $10,000 more bonds to buy before they can go over the top, Mr. Mahan called upon residents in those two communities to rally behind other communities in assuring the success of the Eighth and final bond drive.

Total individual sales as announced by Mr. Mahan stand at $83,930 while corporation sales have gone way over the quota with $41,000. Etiwanda made its quota more than a week ago as its sales soared over the $30,000 quota assigned to it.

Total sales for all three communities amount to $125,310, with the quota set at $135,000. Corporation sales are $16,000 over the quota.

Cucamonga Service Club Holds Party

Following a brief business meeting, the Cucamonga Service club last night held a Christmas party at the Service clubhouse. Each member brought a gift not exceeding 50 cents and gifts were exchanged among those present. Nearly 50 members attended.

Possible School District Changes Are Considered

(Continued from page 1)

present enrollment of the Elementary school from 654 to 631. There would be no marked changes in any of the grades, with the greatest loss recorded in the fifth and sixth grades. From the present total of 127 students it would drop to 106.

Cub Scouts Urged to Attend Pack Meeting

A new policy for Cub Scouts will be announced this Friday night when the Pack meeting is held at the Junior High school auditorium at 7:30.

Mrs. Lula Atwood To Leave Teaching

Effective next Monday Mrs. Lula Atwood will no longer be teaching in the Upland school district. She is leaving her position due to ill health.

Mrs. Elizabeth O'Laughlin will fill the position vacated by Mrs. Atwood.

Sante Fe Station Ready Soon

The new Santa Fe railroad station in Cucamonga will probably be ready for occupancy sometime around December 20th, Verne Van Antwerp, station clerk, said today.

"We are going right to town on it and hope to be in there before Christmas," Mr. Van Antwerp said. "We're not sure yet but I think it will be around the 20th of this month."

Although the work on the Santa Fe station has been primarily a remodeling job, the old station was torn down considerably so that the new quarters will be almost as if an entirely new building were put up.

It is a stucco affair and will have an office, waiting room and an express station. New office equipment has arrived and will be used when the new station is opened. An open house will be held some time in the near future in order to give all Cucamnoga residents an opportunity to see the new station.

ABOUT PEOPLE

Monthly meeting of the interdenominational child evangelism teachers' training course will be held Thursday afternoon at 2 o'clock at the Upland Nazarene church. Mrs. S. Elliott of Long Beach will be in charge.

Take a tip from Santa—and buy your gifts at Western's, 229 Second Ave., Upland.—adv. 64-1

Mr. and Mrs. F. H. Harris of San Diego were guests over the week-end of Mr. and Mrs. Jerome Belleau at their home, 419½ North First avenue.

Mr. and Mrs. John Grace of East Ninth street, are enjoying a visit from their daughter, Miss Dean Grace, who arrived last week from Detroit, Michigan, to remain over the holidays. This is her first trip to Southern California, and her parents are planning many sightseeing trips for her.

Mr. and Mrs. C. R. Williams have returned to Upland after living for more than two years in Monrovia. They have purchased the new residence at 383 South Euclid avenue. They formerly resided in that area and chose to return to Upland and Euclid avenue.

Games, Dolls, Chairs, Blocks, Painting Books, Dart Boards — these are only a few of the many items for children at Western's, 229 Second Ave., Upland.—adv. 64-1

Mr. and Mrs. James Hinshaw of Burbank, are spending a few days in Upland as the guests of Mr. and Mrs. Harry H. Steuffer at their home, 1042 Washington boulevard. Mrs. Hinshaw and Mrs. Stauffer are sisters.

Mr. and Mrs. Floyd W. Jones have returned to Upland to make their home, having lived in Hedrick, Iowa, since 1936. They are the parents of Mrs. John Tink and Mrs. Dale W. Hart and h eis a brother of W. C. Jones. They operated a farm in Iowa. On selling it recently they decided to return to Upland to make their home.

Election of officers for the coming six months will be held at the regular meeting of Silver Link Rebekah lodge Friday evening in the I.O.O.F. hall, and there will also be initiation of new members. Mrs. Donald E. Hill, noble grand, will preside.

Cucamonga School Pupils Will Present "Christmas Eve Story"

"A Christmas Eve Story" dramatized by the pupils of the Cucamonga school will be presented to the public on Thursday evening, December 13, at the Cucamonga School auditorium.

There will be two showings of this play to accommodate those attending. The first performance will be given at 7:30 p. m., and the second immediately following, at 8:30 p. m.

The play presents a Christmas Eve party at the home of Mrs. Diaz, played by Delia Navarro. Other guests present at the party are Maria Diaz, played by Mary Greco, Mrs. Jones, played by Wilma Williams and the many children. After the boys and girls have opened their gifts and played around the Christmas tree, Mrs. Diaz tells the story of the first Christmas to her son, Ernest, played by Johnnie Martinez.

The Biblical characters who illustrate the story in tabloid form are portrayed by Reina Gutierrez as Mary, Rudy Leos as Joseph, and Joe Bencomo as Herod, with other students as the three wise men, the shepherds and the angels.

A voice choir telling of the birth of Christ, the mixed chorus singing the beautiful Christmas songs, and several solo numbers are also included to make an attractive background for the "Christmas Eve Story."

Car Strikes Cucamonga Man

Torribio Acuna, 755, of 24th street, Cucamonga, was struck by a car driven by Raymond G. Torres, 29, also of Cucamonga, early Thursday morning on Eighth street between Archibald and Turner avenues.

Acuna is reported to be in serious condition with a compound fracture on his right leg.

"The Christmas Story" will be the theme for the program of the monthly meeting of the Women's Society of Christian Service of the Upland Methodist church Thursday in Fellowship hall.

The session will open at 10 o'clock, with Mrs. D. J. Cameron, president, presiding.

Members of the Willing Workers circle will serve the noon luncheon, after which a business session will be held, with reports from the four circles.

BIRTHS

SAN ANTONIO COMMUNITY HOSPITAL

A son was born to Sgt. and Mrs. Herbert Bajema, 1141½ West California boulevard, Ontario, Saturday morning.

Mr. and Mrs. Arnold Reyes, 469 South Fifth street, Chino, became the parents of a baby daughter Sunday afternoon.

It's a girl for Mr. and Mrs. Juan Lopez, 522 East Park street, Ontario. She arrived Sunday afternoon.

A daughter was born to Mr. and Mrs. Glen Burgeis, 227 West Maitland, Ontario, early Monday morning.

Mr. and Mrs. Floyd Bauman, 275 East Vernon avenue, Ontario, are the parents of a baby son, born Monday morning.

Western's store is filled with many practical suggestions. You will find what you want — and save money at Western's, 229 Second Ave.—adv. 64-1

Christmas Party For DAV Auxiliary Thursday Afternoon

Mrs. Frank K. Goodban, commander, has announced that the annual Christmas party of the Disabled American Veterans Auxiliary will be held Thursday afternoon at 1 o'clock at the home of Mrs. Maurice Sollman, 461 West Sixth street, Ontario.

There will be an exchange of gifts, and refreshments will be served.

Chaffey Wives Will Entertain Husbands Friday Evening

For their December meeting, members of the Chaffey Faculty Wives club are entertaining their husbands at a Christmas dinner party Friday evening at the Upland Woman's club house, according to Mrs. Howard R. Stanford, the president.

A Christmas program will follow the dinner hour.

Man Wounded In Stabbing

A knife fight Wednesday night at 426 South Sultana avenue ended with David Cards, 26, Sonora camp, being taken to the San Antonio hospital with three stab wounds.

Three Chino youths are being held in the Ontario city jail for investigation of charges that they were responsible for the stabbing.

Cards told police that while he and Frank Hernandez, 828 Greenwood avenue, were standing in the Sultana avenue address with the three Chino youths an argument started which led to the knifing.

According to Cards, Reuben Gonzales, 18, stabbed him in both the right and left sides, just below the chest, while another member of the party stabbed him in the back above the right hip. The other two Chino youths being held are Robert Gonzales, 19, and James Hernandez, 18.

The Chino trio denied having participated in the knifing but Frank Hernandez insisted that they had been Cards' assailants.

PADUA HILLS

According to the centuries old custom observed throughout Mexico for nine days preceding Christmas, the picturesque Yuletide processional will be conducted in connection with the staging of "Las Posadas," fourteenth annual holiday drama of the Mexican Players, at the Padua Hills theater.

DOG LOST

A Labrador Retriever dog named "Cinder" belonging to a lady in Ontario has been lost in Upland. Mrs. Neil McMullin reported that while she was here shopping the dog jumped out of the car and disappeared.

Coughlin Appointed Superior Court Judge

Martin J. Coughlin, of San Bernardino, has been appointed a judge of the San Bernardino county superior court, Governor Earl Warren announced today. He succeeds Charles L. Allison who retired on December 1.

A past president of the county bar association Mr. Coughlin graduated from the University of California law school in 1925.

Holcomb To Head Gold Centennial County Committee

San Bernardino county's participation in the 1948-49 California Gold Centennial was under way today with acceptance by County Supervisor Howard L. Holcomb of San Bernardino of the chairmanship of the San Bernardino County 1948-1949 Gold Centennial committee.

Appointment was made by William A. Smith, president of the County Supervisors Association of California, and Joseph R. Knowland, Oakland publisher, statewide chairman of the California State Chamber of Commerce committee coordinating the big observance, and widely known as an authority on California history.

San Bernardino county's celebration—or celebrations—will be integrated in the statewide program, according to Supervisor Holcomb. The San Bernardino county committee will be represented in the Southern California regional committee, meeting in Los Angeles. The Southern California regional committee in turn will have membership on the statewide observance committee.

100 To Attend Yule Party

Christmas gifts for all the children and entertainment and a contributed dinner for adults will be included at the annual Christmas party to be held at the Mont Vista resort this Thursday by the San Antonio Community league.

It is estimated that more than 100 people will attend the party. All those attending are asked to bring gifts not to exceed 25 cents, so that gifts may be exchanged among those present.

Special presents for the children is under the auspices of the San Antonio Volunteer Fire department and will be presented by Santa Claus who will make his annual Yuletide appearance.

Informal music and entertainment will be provided. Mrs. H. S. Hoard is chairman of the committee in charge of the party.

Income Depends on Size of Poultry Flock

"The income you wish to receive from your poultry flock over a period of years will depend on the size and the efficiency of that flock," states J. P. Hertel, assistant farm advisor.

The size of your flock may depend on the amount of spare or full-time you wish to devote to the enterprise. Cost records over a period of ten years show that it takes about two hours of labor a year to take care of a hen.

On this basis, a man who has three hours of spare time a day should be able to take care of 500 birds. One with four hours spare time a day could take care of approximately 700 to 750 birds. A man who devotes ten hours a day to the enterprise will be able to take care of around 1800 to 2000 hens a year. The average income derived from such flocks is approximately one dollar a hen a year. In good years, this will be higher, but in years of low egg prices and higher feed prices the income may be somewhat lower.

It's a grand and glorious habit—sticking our necks out by asking little Willie, "What do you want for Christmas?"

Ontario Pioneer Killed by Car

An Ontario pioneer was killed Wednesday when he was struck by an automobile in San Diego.

He was Marsh H. Mayberry, 84, who for many years had operated a blacksmith shop in Ontario. He had been making his home with his daughter, Mrs. Harold Knox, the former Beatrice Mayberry.

Word of his death was telephoned by Mrs. Knox to her sister in-law, Mrs. Archie L. Moore, 205 East Fourth street.

Big Crowd Sees Yule Lights; Stores Busy

One of the largest evening shopping crowds in the history of the Upland business district attended the December 7 opening of the Christmas shopping season here.

The business district more elaborately decorated than ever and the Yule lights burning the brightest in years, people from all parts of the Upland trading territory visited the Upland gift stores until after 9 p. m.

Turning on of the lights and the decorations was unheralded. When darkness came, the street lights were illuminated and simultaneously the newly placed, brightly colored Yule lights became vivid and appealing.

The most common expression among the shoppers was the gay street decorations and the general appearance of the shopping district as a whole. In the crowd were residents of Upland as well as of the outlying communities and of Ontario.

While no record was set in the amount of sales, store owners were elated over the large number of people who visited the displays and inspected the wide variety of gift items.

Friday night's large crowd was followed by another big shopping day on Saturday. Christmas sales are continuing brisk today with the outlook bright for all of the shopping season.

At a later date, announcement will be made of the stores staying open at night as a service to the general public. The night opening program, however, will not be started until a few days before Christmas.

The Christmas street decorations were planned by an all-woman committee including Mrs. Amos R. Colborn, Mrs. Sam B. Rowe, Mrs. Paul G. Hoffel and Miss Lillian Harnish.

Nichols Promoted to Sergeant in Japan

Sergeant Norton Nichols, Jr., son of Mr. and Mrs. Norton Nichols, of 1711 West Ninth street, has been promoted to that grade from corporal in Japan.

A graduate of Chaffey Junior college, Sergeant Nichols was attending U.C.L.A. when he was inducted into the army on February 23, 1943. He went overseas with the 28th Infantry division in October, 1943, and went into combat in Normandy in July, 1944.

After a month of front-line service, Sergeant Nichols was wounded and evacuated to a general hospital in England. From the hospital, he was assigned to the 7th Major Port, then operating busy army posts in England, Scotland and Northern Ireland.

"A good home is heaven," says a Chicago clubwoman. Guess what that makes a bad one.

NEWS of MEN AND WOMEN IN UNIFORM

LIEUTENANT ARCHIE OLSEN

Lieutenant Archie E. Olsen arrived from Guam last week and was the guest of his uncle, Otto Lomen, First avenue, over the week end, leaving Monday for March Field to get his discharge. Archie graduated from Chaffey Junior college in 1930, and has been in the military service four years. He was navigator on a B-29 and wears the following theater ribbons: Air medal, Asiatic, victory; two battle stars and presidential unit citation. From here he will drive to Richland, Wash., to visit his mother and brother before deciding on his future.

CHAFFEE ASSIGNED

Marine Private Daniel E. Chaffee, who spent a two-weeks leave with his parents, Mr. and Mrs. Ted Chaffee, 1244 East Ninth street, has gone to his new station at Camp Pendleton, where he has been assigned to a replacement command.

Chaffee took his boot camp training at San Diego.

JOINES ON FURLOUGH

Robert Joines, who has seen many miles of ocean and has visited many ports thorughout the Pacific, arrived in Upland last night for a short furlough. He is the son of Mr. and Mrs. Frank Joines, 236 North Palm avenue. A radio technician second class, the Uplander is with the U. S. navy.

ELIA PROMOTED

Charles V. Elia, husband of Mrs. Ruth J. Elia, of Route 1, Box 404, Upland, this week was promoted to first lieutenant at Camp Anza a transportation corps installation of the Army Service forces.

Lt. Elia was commissioned a second lieutenant in September, 1943. At Camp Anza he is assistant camp veterinarian.

DRYSDALE ARRIVES HOME

Charles Drysdale arrived here Saturday, a new dischargee of the U. S. Navy. He served as a signalman with an armed guard on a merchant ship and had covered many of the battlefronts during his several years service. He was welcomed home by his wife, the former Patricia Detmer. He is the son of Mr. and Mrs. Ira Drysdale, West street. They are making their home temporarily at the Detmer home, 774 North First avenue.

VET PREFERENCE

The Veterans of Foreign Wars today called upon Congress and President Truman to initiate legislation at once to establish a Veterans Relocation Authority with power to place discharged veterans in temporary available housing in preference to persons who have not seen military service.

Dr. Carlson Returns To Civilian Practice

Dr. E. O. Carlson has reopened his office in the Emmons building in Ontario and is residing at 318 East Fourth street.

A former captain in the Army, Dr. Carlson returned to his civilian practice after three years of service, 14 months of which was spent overseas. He saw action in France, Belgium and Holland, including the bulge in Belgium and followed his company on into Germany.

War Veteran Made Lytle Creek Ranger

A World War veteran, W. H. Maxwell has been appointed as Lytle Creek ranger of the Lytle Creek district by W. A. Peterson, supervisor of the San Bernardino national forest.

Eugene H. Kincaid was transferred from the Lytle Creek district to Iddyllwild in Riverside county. He was a member of the Fontana Kiwanis club.

Copies of Egg Laying Report To Be Given To Poultrymen

Mimeographed copies of the report, 1944-155, of the egg laying contest at Modesto will be given to all those who attend the meeting tomorrow night of the Ontario-Upland Poultry center at the Ontario Junior High school at 7:30 p. m.

Hubert Hogsett, member of the State Poultry commission, will address members and distribute copies of the report. His talk will include comprehensive facts on production and feed consumption.

All poultrymen, whether members or not, are invited to attend the meeting and secure copies of the report.

Hearing on Mansfield Set for January 3

John C. Mansfield, of Long Beach, was arraigned yesterday for manslaughter and his preliminary hearing set for Thursday, January 3, at the Upland justice court.

Accompanying Mr. Mansfield was his attorney, John King, who posted a $1000 bail to keep the accused on liberty until the day of the hearing.

Mansfield was one of the three drivers in the fatal crash on Foothill boulevard and Euclid avenue on December 2. Two were killed as a result of the accident.

A coroner's inquest found Mansfield and Wayne B. Howell, one of the crash victims, guilty of negligent driving and subsequent charges of manslaughter were filed against Mansfield.

"Girl of Limberlost" Feature at Upland Theater

Every few years a novel is published which not only becomes a best-seller but also a hardy perennial for adaptation and showing by the motion picture producers.

Such a novel is "The Girl of the Limberlost," which is a major attraction at the Upland theater Wednesday, Thursday and Friday.

Many fans will remember that "The Girl of the Limberlost" tells of a young girl's dreams to improve herself, the attempt of her miserly mother to frustrate her, her final victory and the winning of her parent's love and respect.

Nothing is harder on a woman's clothes than her enemies.

The goal of many a college boy will vanish with the end of the football season.

Captain Smith Head Of Officer School

Captain Ralph Smith, husband of Mrs. M. Belle Smith, 364 South Second street, has been appointed director of ground training at the Selman Field Officers Training school in West Monroe, Louisiana.

Classes began at the new school on December 3 with more than a 400 officer enrollment. Captain Smith was mainly responsible for the organization of the school and said that the primray aim of the new training program was to better acquaint officers with the Army administrative system.

Harvey Haldeman Home After 18 Months Overseas

Harvey Haldeman is an Uplander at home again after serving 3½ years in Uncle Sam's army. He was overseas in the Pacific area 18 months, having just returned to civilian life. As a technician, third grade, he served in the army medical corps.

Mr. Haldeman's home is at 281 Campus avenue, where his wife has been residing.

There is more happiness in working to forget than in forgetting to work.

The latest hunting reports are encouraging—more rabbits have been shot than hunters.
